

THE KWANG HEI WON—"House of Extended Grace."

Originally the residence of HONG YUNG SIK, whose picture appears opposite page 43, it was here that Dr. Allen opened the Royal Korean Hospital in 1885. This picture was taken in 1934. The building is now used as a Dormitory by the Higher Common School for Korean Girls.

The CHEI CHUNG WON—"House of Universal Helpfulness" as it appeared in 1897. In the center of the picture, with Dr. O. R. Avison, is his oldest son Lawrence, now Secretary of the Flatbush, Brooklyn, Y. M. C. A.
